

# ONE YOU One Credit Suisse

## Summer Internship Program

### A Brief Overview

Our Summer Internship Program gives you the opportunity to gain experience in a particular area at Credit Suisse. You will be part of a team from day one. You will face real challenges and take on real responsibility. Your knowledge, skills, and confidence will grow on a daily basis.

Our aim is not just to recruit the best graduates for our bank, but also to place the best graduates in the right positions. This means that if you show real potential and demonstrate exceptional performance during your time with us, you will have the chance to secure a place in our Career Start Program after completing your studies.

### What You Can Expect from Us

- A 10 to 12-week summer internship program
- An introduction event
- Opportunities for networking
- Support from line management and a buddy/mentor
- Structured evaluation process
- On-the-job training
- Exposure to other departments and areas

### What We Expect of You

- You are in the advanced stages of your studies
- You are planning to graduate and start your professional career in the next 12 months

### Participating Areas

Summer internships are offered in the areas of Private Banking, Asset Management, Investment Banking, IT, and Shared Services. You can find out more about the positions on our recruiting portal starting January 2012.
