

SCOTT Sports SA is an international sporting goods company. We develop, produce and market bikes, skis, motorsports, and running products worldwide. Our dynamic and highly motivated E-Commerce team in Givisiez (Switzerland) is currently seeking an

## E-Commerce Trainee

We are operating the B2B and B2C platform for several brands in different countries. As an e-commerce trainee you will mainly support the B2C team in various areas of the operational day to day business. This gives you the chance to have an exciting insight into the various aspects of e-commerce.

### Tasks:

- Support the B2C team in various areas of the daily business
- Extracting and preparing data from our different tools and SAP
- Prepare reports and analyse sales data
- Support the roll-out of online shops to new countries and/or further Brands
- Liaise with IT, Customer Service, logistics and accounting in order to support roll-outs
- Supports the team with other projects

### Qualifications:

- Business Education
- Fluent in English
- Good knowledge in German (any additional Language is an advantage)
- First work experience ideally with online background
- Technical understanding
- Strong analytical and MS Office skills (especially Excel)
- Interests in sports
- Strong communication / interaction skills (team player)

The candidate will work in a young, creative, multilingual environment that lives the lifestyle and the spirit of the SCOTT brand. The enthusiasm for sports and our products connects us.

SCOTT Sports SA is situated in Givisiez / Fribourg (Switzerland). The entry date of the job position is open to discussion.
